

JULI-ANNE BRANDT
Partner

Juli-Anne believes in the core values of the business - these being client service excellence, professionalism, integrity, opportunity for staff development or continued education and having a happy work environment. By following these core values she has seen the firm grow into one of the leading mid-tier firms in the area.

Juli-Anne commenced her accounting career in 1995 when she joined the Financial Management Services (FMS) business unit at Deloitte and Touche. In 1998 she was appointed as the Manager of the FMS department. Whilst at Deloitte she gained experience through a wide cross-section of businesses in the Midlands area.

In 2003 Juli-Anne co-founded Chapmans Chartered Accountants in the Midlands. Juli-Anne's experience and exposure has been gained in the manufacturing, retail, mining, farming & food & beverage sectors.

Juli-Anne has vast experience and expertise in accounting, financial advisory, payroll services, taxation services, due diligences and internal controls.

Chapmans current portfolio exposes Juli-Anne to a wide variety of business entities, which include sole traders to listed companies.

Juli-Anne has vast experience with setting up tailor made management accounting packages to suit individual entities. Having been exposed to several accounting packages throughout her career, and as such can ensure that businesses choose the right accounting package to suit their business environment.
